

# 2020 General Scholarship Application

We never want lack of finances to be the only reason a camper cannot come to Higher Ground at Lake Louise. We encourage prospective scholarship recipients to first seek financial assistance from their home church, since many churches have funds designated for sending children and youth to summer camp. If no funds, or not enough funds can be provided by the church, Higher Ground at Lake Louise has a general scholarship fund available. These funds are limited, so please apply only if financial assistance is truly needed.

Scholarship money will be awarded depending upon individual needs up to, but not exceeding 50% of the total cost of registration.

*Note: Your camper must be registered before we can process a scholarship application. If no scholarship money is awarded to you and you are unable to attend camp as a result of this, your registration deposit is fully refundable*
