

## **Psalm68five Mentor**

Higher Ground at Lake Louise is a Christian Summer Camp for kids and adults who long for fun and peace. We create tailored, Christ-centered camp experiences to lead campers to know, love, and serve God. This is possible through the beautiful natural environment, our caring staff, and life-changing encounters with the Father heart of God.

The **Psalm68Five Mentor** helps deliver Higher Ground's promise to create a peaceful, welcoming, Christ-centered space to all of our campers, but especially those coming to camp as Psalm68Five Scholarship recipients. As campers coming to us from homes without fathers, they may feel like building a relationship with God is particularly challenging. By sharing your experiences and compassionate nature with these campers you will be instrumental in planting a seed of faith, nurturing it, and helping it shine during their week at camp and beyond.

### ***General Requirements:***

- **Empathy** - Our ideal candidate must be mindful of the everyday challenges facing young people, particularly children who are growing up without a father. Our Psalm68Five mentor is dedicated to fostering healthy growth in mind, body, and spirit, and nurturing a relationship between our campers and God.
- **An open mind** - We aspire to make *all* of our campers, employees, and volunteers feel welcome here. That means creating an environment without fear of judgment and encouraging mutual respect. The campers you work with may face unique challenges. Your role will be to meet them where they are, and help them view Higher Ground and their growing relationship with God as a respite from everyday pressures.
- **Be on a journey of your own** - You should have a strong connection with your faith, and be on your own spiritual journey with Jesus Christ. Your experiences will provide campers with an authentic sense of understanding, and inspiration for continuing their own journeys.
- **Respectful attitude** - Your reverence and respect for God's creation extends to your work at Higher Ground. That means demonstrating appropriate boundaries with other campers, staff, and volunteers, receiving feedback with grace, and giving yourself time to rest and re-energize for each work day.

Our mission at Higher Ground at Lake Louise is to provide a place where campers can come to know God, love God, and learn to serve God through developing faith in Jesus Christ. We ask that you do not emphasize or denounce any particular Christian denominational beliefs, but rather that you present the campers with the Gospel of Jesus Christ and practical ways that they can live out their faith. If a camper approaches you about an apparent controversial topic between denominations, encourage that camper's desire to know more, but tactfully encourage him/her to discuss the matter with his/her home church pastor or parents.
